

**green coffee**

**Leader - Melbourne - Yarra Leader (Melbourne, Australia) - Monday, June 22, 2009**

NEW research from the Carbon Reduction Institute shows each latte consumed has the same environmental impact as leaving your 60-watt bathroom light on for three hours. Collingwood's Jasper Coffee has recently become the first 100 per cent carbon-neutral coffee company in Australia. The Jasper store is at 267 Brunswick St, Fitzroy.
